

CLUBMASTER™

THE PERFECT SHOT

Clubmaster Club Washer: Mastering your cleaning needs to a tee.

Club Washer Benefits

Dirt buildup in club grooves reduces spin and control. A precision-engineered, high-pressure 2-minute wash cycle restores each club head to immaculate condition. The result is uncompromised performance—empowering golfers to elevate their game and play at their true potential.

Cleaner grips - No grime, no slip

Cleans your grips. Restores grip to its original tackiness. Giving grounded stability, when swinging for precision.

Clean your shoes too

A quick and effective cleat clean.

Fully Unattended

Cleaning solution that accepts credit cards, membership cards, vouchers and other forms of redemptions

Intangible Benefits

With flexible acquisition options, low maintenance requirements, and eco-friendly design that uses recycled water, this solution delivers sustainability and convenience in one.

Clubmaster is the only partner that never sleeps, never slows, and always delivers

"Golfers know clean clubs matter. A good swing helps, but well-kept clubs can turn a birdie into an eagle."
